

# 2022 JUNE HOLIDAY CAMPS

(Singapore School Holiday Edition)

Here are the exciting music and performing arts camps we will be offering during the June holidays, for children aged 2.5 and up!

## Wizard of Oz Camp

Take a trip with us to the magical Land of Oz! Our little campers will partake in Wizard of Oz themed games, theatrical exercises, and immersive storytelling. They will be introduced to fundamental vocal techniques, and will be learning some popular tunes from its musical adaptation such as 'Over the Rainbow'. Lots of singing, dancing, and acting packed into one camp - join us for some wicked fun! All performances will be recorded and shared with parents.

## Build-A-Ukulele Camp

Build your own ukulele from scratch! Campers will learn how to put together a ukulele themselves - build, screw, paint, and decorate it to your liking, that will be theirs to bring home. They will also learn how to play the instrument, from basic knowledge and fundamentals, to chord shapes and progressions, as well as some simple age-appropriate songs!

\*Please note: this ukulele will not be functionally equivalent to a store bought instrument.

## Time for TikTok! Camp

Love dancing along to the latest #trendy songs? Come join us to learn the choreography to popular TikTok dances! We'll be breaking down the moves and the blocking, as well as film several TikToks - campers can submit requests for what they would like to try. It will be a ton of fun learning the dances with your new dance crew friends, and playing around with video effects to create your own masterpieces. It's #timefortiktok!

## Hit Songs Camp (Songwriting)

Want to try creating your very own hit song? This camp will bring students through the process of making a song from start to finish - our campers will learn the fundamentals of songwriting, music recording and production. Throughout the four days, they will compose their own lyrics and melodies, as well as record and produce their song using Garage Band. Parents can also enjoy their child's hit song from home! Note: students will have to bring their own iPad and headphones for this camp (do contact us if you're unable to bring one and we can make arrangements accordingly).

## Unicorn Tea Party Camp

Join us for a unicorn tea party with your new friends! Find your unicorn names, create your very own set of wings and horns, get crafty with glitter and rainbows. We'll also be learning some general music theory concepts and dance moves, playing unicorn-themed games, and holding a gorgeous tea party picnic outdoors on the grass!

## Paw Patrol Rescue Camp

Paw Patrol, we're on a roll! Our team of campers will set out on a rescue mission - they will be learning about different occupations and professions, and will create their own pup packs and customise pupmobiles (vehicles) of their choice. It will be an action-packed camp, involving interactive storytelling, drama games, music theory activities, singing pup-ular songs from the show, and putting up a showcase on the last day. Children will discover the magic of dance while using their imaginations to bring the story of Marshall and friends to life. Parents will get to watch video recordings and see what our campers got up to during the camp!

## Frozen in Summer Camp

This June, escape Singapore's summer heat and enter the snowy world of Arendelle. Calling all Frozen fans - come and venture into the unknown with us! Learn to sing some of the popular songs from the show such as 'Do You Want to Build a Snowman?', 'Let it Go' and 'Into The Unknown'! Campers will also play themed games, create their own crafts, learn a poem, and a choreographed dance. A final showcase will take place on the last day of camp, which will be recorded and sent to parents!

## Encanto's Magic Camp

Come join us for two days of magical fun, following Encanto's themes of family and Colombian culture! In our very own Creative Hearts casita, campers will be participating in games and interactive stories, creating Encanto handicrafts, learning an exciting dance number, and singing along to the show's iconic songs. Warning: we will be talking about Bruno. All performances will be recorded and shared with parents!

## Instrument Exploration Camp

Interested in picking up a new musical instrument but not sure which? This four-day camp will expose children to up to 5 instruments of their choice - they can choose from piano, ukulele, violin, vocals, and cajon. Our campers will get the chance to explore each of these instruments, and learn the basics and foundational techniques, as well as work on a simple piece on each of the instruments. At the end of the camp, a final showcase of what they have learned will be filmed and sent out for parents to enjoy the performances by our budding multi-instrumentalists!

## Piano Blast Off Camp

This camp is for all beginners wanting to try their hand at piano. No experience is required - complete to early beginners are welcome! It will be a great way to gauge your child's interest in the instrument before signing up for formal lessons. Students will learn the basics and piano fundamentals, and be able to play some simple songs. Video recordings of their progress and pieces will be shared with parents after the camp.

## Sing & Play - Pop Piano Camp

The piano can play so much more than classical pieces! This camp will expose students to the fundamentals of pop piano, such as triads, chord shapes, and common chord progressions used in pop songs. They will also learn how to sing and play simultaneously, so they can go home and be able to accompany themselves when jamming out to their favourite pop songs. Campers can request songs that they would like to learn during the camp! Videos of their progress and performances will be shared with parents.

## Carnival of the Animals Camp (Bilingual edition)

How does a lion's march or a chicken's pecking sound as a musical work? For our first ever bilingual camp, our campers will be joining an exciting carnival of animals! Based on French composer Camille Saint-Saëns' musical work, 'The Carnival of Animals', this camp will introduce students to a range of musical concepts, instruments of the orchestra, and a brief historical background of the composer. They will be learning about various animals, practice active listening, and partake in lots of fun movement games, interactive songs, and arts and crafts. The programme will incorporate a mix of both English and Mandarin - a great way to expose your child to the Chinese language (non-speakers are welcome)!

## CoComelon Camp

For our younger campers and CoComelon fans - this one's for you! Join us for two days of stimulating fun with your favourite characters from this well-loved series. We'll be learning some classic nursery rhymes, playing themed games, singing and dancing along to the popular children's songs from the show, and doing some arts and crafts! Campers will get to bring home their own artistic creations.

## Studio Experience

Give your child an unforgettable summer experience with a recording session in our studio! Your child will get to pick his/her own songs, spend four 45-min lessons polishing it with a vocal coach, and end off with a 2 hour recording session with the vocal coach and recording engineer in our in-house recording studio! A perfect way to remember the Summer of '22!  
p.s. adults/parents are welcome to book a studio experience with us as well!
