Sip & Sing for Adults

For all adults who love to sing! Join our virtual pop choir, with your favourite drink in hand, alcoholic or not ;)

We begin with some vocal warm ups and then learn harmonies for a pop song. We can't quite sing together but trust us, it's fun! We will end off with a virtual choir recording.

No experience or audition required.

Tuesdays 8-9pm

Four sessions: 9, 16, 23, 30 June

\$60 in total, BYOB

"Sip and Sing is a great way to let loose and have a good time with fellow singers. The hour at choir really takes away the feeling of being stuck at home during this circuit breaker."

"Love the energy of the group. Such a mood-lifter!"
